***In the charity of your prayers please pray:
May our dear brother Jesus, with God our Father,
and the Holy Spirit bring deep healing to the victims,
“Mary” and “Ann” and their families... all those who suffer
abuse of any kind, and all of us in our brokenness and
misunderstanding.***

***May we receive, most humbly, those special graces to
heal and build up the Body of Christ for the glory of God.***

***May the good work of the U.S. Bishops and the
National Lay Review Board continue.***

***May the “Charter” they designed to heal and protect
all God’s children become a living document that is
effective in keeping all children safe in each Church in
all the Dioceses of America.***

***May this good work anointed by the Holy Spirit
bear much fruit in American Society to keep all
children safe and protected.***

We commend this prayer to the Holy Name of JESUS.

***Please not only pray this intention. Please add a fast on
Wednesdays and Fridays —if you cannot do a bread and
water fast then do a fast from simple pleasures...gum, candy
desert, or do random acts of kindness, fast from anger...
whatever your fast looks like you will know .***

+Thank You! God Bless You!+
