
We the parishioners of St. Peter Parish are united in Christian faith. We support our Pastor, Monsignor Joseph Jarmoluk, in his mission to make us more Christ-like. Recent events have caused Fr. Joe to defend St. Peter Church and its faith community at the pulpit. After compiling information, meeting with the involved, and drawing up a prayerful response, he spoke to his congregation. In a compassionate manner, he maintained the anonymity of those involved while confronting a crisis issue in the media. We pray for continued growth of St. Peter Parish, and **not** financial retribution with loss of church sponsored programs. We wholeheartedly support Fr. Joe, a man who loves God and his parish.
